

**PROGRAM CO-CHAIRMEN**

	<p><b>Jean-Luc Dupuis, La Malbaie, Canada</b>          Venous unit, Charlevoix, Canada          Vice President of the Canadian Society of Phlebology          Guest speaker international phlebology community          Diplomate of the American Board of Venous and Lymphatic Medicine</p>
---	--

	<p><b>Pauline Raymond-Martimbeau, Dallas, USA</b>          President of the Canadian Society of Phlebology          Board member of the American College of Phlebology Foundation          Diplomate of the American Board of Venous and Lymphatic Medicine          Fellow of the American College of Phlebology          Honorary member of the French Society of Phlebology          Honorary member of the French College of Vascular Pathology          UIP Committee of Honor</p>
---	---

**INTERNATIONAL FACULTY**

	<p><b>Pier Luigi Antignani, Rome, Italy</b>          Teacher of Angiology          President of Italian Society for Vascular Investigation          Vice President of International Union of Angiology          Assistant Secretary of International Union of Phlebology          Member of the French Society of Phlebology</p>
---	--

	<p><b>Philippe Desnos, Caen, France</b>          Angiologist specialising in vascular medicine          Member of the French Society of Phlebology          Member of the French College of Vascular Pathology</p>
---	--

	<p><b>Mark Forrestal, Arlington Heights, USA</b>          Board certified internist, Private practice at Northwest Vein Care          President elect, American College of Phlebology          Fellow of the American College of Phlebology          Diplomate of the American Board of Venous and Lymphatic Medicine</p>
---	---

	<p><b>Claudine Hamel-Desnos, Caen, France</b>          Angiologist          Member of the French Society of Phlebology          Member of the Scientific Committee of the French Society of Phlebology</p>
---	--

**Ted King, Oakbrook Terrace, USA**

Vice President of Medical Affairs for Vein Clinics of America  
Diplomate of the American Board of Venous and Lymphatic Medicine  
Fellow of the American College of Phlebology  
Emeritus Fellow of the Australasian College of Phlebology  
Member of the Board of Directors of the American College of Phlebology.

**Miguel Lo Vuolo, Santa Fe, Argentina**

Radiologist, researcher, illustrator, international speaker  
Professor of the Interamerican College of Radiology  
Honorary Member of the Argentinian Society of Ultrasound in Medicine and Biology  
Course director and professor (color duplex ultrasound) of the Argentinian Society of Phlebology and Lymphology  
Member of the Contributing Editorial Board of the Phlebology Forum (American College of Phlebology)

**CANADIAN FACULTY**

**Janna Bently, Kelowna, Canada**

Registered Vascular Technologist  
Diplomate of the American Board of Venous and Lymphatic Medicine  
Fellow of the Canadian Society of Phlebology

**Richard Danylewick, Laval, Canada**

Vascular surgeon with the Royal College of Physicians and Surgeons of Canada  
Diplomate of the American Board of Venous and Lymphatic Medicine  
Member of the Canadian Society of Phlebology, American College of Phlebology, American Venous Forum and Association of Vascular Surgeons of Quebec

**Pierre Karam, Montreal, Canada**

Vascular surgeon with the Royal College of Physicians and Surgeons of Canada  
Member of the Canadian Society of Phlebology, Association of Vascular Surgeons of Quebec, Association of Vascular Surgeons of North America (SVS)

**Philippe Kritzinger, Newmarket, Canada**

Diplomate of the American Board of Venous and Lymphatic Medicine  
Fellow of the Canadian Society of Phlebology

**Michel Zummo, Montreal, Canada**

Member of the Advisory board of the Canadian Society of Phlebology  
Member of the French Society of Phlebology  
Diplomate of the American Board of Venous and Lymphatic Medicine

**CORPORATE FACULTY**

**Jean-François Milot, Montreal, Canada**  
Ultrasound specialist  
Regional Director at Esaote Canada

**Serge Mako, Paris, France**  
Member of the French Society of Angiology  
Member of the French Society of Phlebology  
Kreussler Pharma

## FRIDAY, NOVEMBER 15, 2013

### PRACTICAL MANAGEMENT OF CHRONIC VENOUS DISORDERS

7:30 **Registration** **Opus Room**

7:50 **Welcome** *Pauline Raymond-Martimbeau*

#### **Learning objectives:**

- Understand the importance of a precise diagnosis and develop a targeted approach to treating venous incompetence
- Understand technical assessment, its indications and benefits, and gain an approach to differentiating typical and unusual presentations of venous incompetence
- Understand the various treatment modalities for early and advanced venous disorders therapies

#### **HANDS-ON WORKSHOPS**

A series of workshops and presentations will be set up for trainees to experience instruction from key leaders in different aspects of venous disease. Participants will be divided in groups and will rotate through different workshops. These workshops will provide learning opportunities on:

**Moderator: Pauline Raymond-Martimbeau**

8:00-8:30 **Technical imaging and optimization ultrasound** *Jean-François Milot*  
Objectives: The participant will understand the physics and application of ultrasound.

8:30-9:30 **Clinical examination and differential diagnosis**  
9:45-10:45 *Pier Luigi Antignani, Jean-Luc Dupuis, Mark Forrestal, Ted King, Miguel Lo Vuolo*  
10:45-11:45

Objectives: This course will discuss how to recognize the importance of a precise diagnosis. The participant will be able to determine clinical and ultrasonographic vein patterns and find the appropriate point of reflux.

9:30-9:45 **Coffee break**

8:30-9:30 **Visual sclerotherapy: Technique, post-care** *Pauline Raymond-Martimbeau*  
9:45-10:45 Objectives: This course will discuss the use of sclerosant for small and medium size veins.  
10:45-11:45 The participant will learn techniques for injecting veins of non-saphenous incompetence.

8:30-9:30 **Sclerotherapy of telangiectasias and UGS sclerotherapy of varices**  
9:45-10:45 *Philippe Desnos, Claudine Hamel-Desnos*  
10:45-11:45 Objectives: This course will demonstrate, using a phantom, new and evolving technologies in the treatment of varicose vein.

11:45 **Lunch**

**Moderator: Pauline Raymond-Martimbeau**

1:15 **Ultrasound assessment of GSV insufficiency** *Miguel Lo Vuolo*  
Objectives: This course will provide demonstration of ultrasound techniques for topography and morphology assessment of GSV insufficiency.

2:15 **Ultrasound assessment of SSV insufficiency** *Miguel Lo Vuolo*  
Objectives: This course will provide demonstration of ultrasound techniques for topography and morphology assessment of SSV insufficiency.

3:15 **Refreshment break**

3:30 **Ultrasound assessment of perforating vein insufficiency** *Miguel Lo Vuolo*  
Objectives: This course will provide demonstration of ultrasound techniques for topography and morphology assessment of perforating vein insufficiency.

**Moderator: Jean-Luc Dupuis**

4:30 **Panel discussion**  
What is your approach for recurrent varices?  
*Pier Luigi Antignani, Mark Forrestal, Ted King, Pierre Karam, Philippe Kritzinger  
Pauline Raymond-Martimbeau*

5:00 **Adjourn**

**SATURDAY, NOVEMBER 16, 2013**

**MONTREAL PHLEBOLOGY SUMMIT**

8:00 **Registration** *Opus Room*

8:10 **Welcome** *Pauline Raymond-Martimbeau*

**Overall learning objectives:**

Upon completion of this 3-day meeting, participants will be able to review and interpret basic knowledge and skills in phlebology; update and improve their knowledge about recent advances in the diagnosis, management, and treatment of venous disorders; and integrate new principles to improve their everyday practice of phlebology.

**Moderator: Janna Bentley**

8:15 **Update on venous thromboembolism** *Philip Kritzinger*  
Objectives: Learn the appropriate indication and management of venous thromboembolism.

8:45 **EVTA: which is better RF or laser?** *Ted King*  
Objectives: Discuss two techniques of thermal ablation and evaluate their difference and clinical application.

9:15 **Is pre-treatment testing for right-to-left shunt warranted** *Pauline Raymond-Martimbeau*  
Objectives: Acknowledge the published articles on air embolism post-sclerotherapy.

9:30 **Refreshment break and exhibit**

**Moderator: Pauline Raymond-Martimbeau**

10:00 **Management of superficial vein thrombosis** *Pier Luigi Antignani*  
Objectives: Discuss management thromboembolism.

10:15 **Report of the European Guidelines 2013 for sclerotherapy** *Claudine Hamel-Desnos*  
Objectives: Identify the European Guidelines for patient selection, criteria, strategies, instrumentation, technique and post care management.

10:35 **Restless legs syndrome** *Janna Bentley*  
Objectives: Become familiar with restless legs syndrome and its management.

10:50 **Keynote Address**  
**Removal of varicose vein tributaries by microphlebectomy (N.I.A.P.)** *Jean-Luc Dupuis*  
Objectives: Review and learn the technique N.I.A.P. for removal of incompetent tributaries.

11:20 **Questions and answers**

11:30 **Lunch**

**SATURDAY, NOVEMBER 16, 2013**

**MONTREAL PHLEBOLOGY SUMMIT**

**Moderator: Michel Zummo**

**1:00 Ultrasound scanning protocol and report simulator**

*Miguel Lo Vuolo*

Objectives: Learn the scanning protocol and ultrasound reporting.

**3:00 Refreshment break and exhibit**

**3:30 Ultrasound in pelvic venous insufficiency**

*Miguel Lo Vuolo*

Objectives: This course will provide demonstration of ultrasound techniques for topography and morphology assessment of pelvic venous insufficiency.

**Moderator: Jean-Luc Dupuis**

**4:30 Panel discussion**

**What do you do with your pelvic insufficiency cases?**

*Janna Bentley, Richard Danylewick, Jean-Luc Dupuis, Philippe Desnos  
Claudine Hamel-Desnos, Michel Zummo*

**5:00 Adjourn**

**SUNDAY, NOVEMBER 17, 2013**

**MONTREAL PHLEBOLOGY SUMMIT**

**Moderator: Jean-Luc Dupuis**

- 8:15 **Who says they're cosmetic? Varicose veins: nocturnal cramping, pruritus, burning, and the like...** *Janna Bentley*  
Objectives: Understand the difference between medical necessity and cosmetic purposes of symptomatology.
- 8:30 **Neurologic complications of sclerotherapy** *Ted King*  
Objectives: Recognize the neurologic adverse effects after sclerotherapy.
- 9:00 **Treatment of venous ulcers in elderly patients with foam** *Pier Luigi Antignani*  
Objectives: Learn how to effectively manage venous ulcers with foam sclerotherapy.
- 9:15 **Scotomas and chest pain during sclerotherapy: Bubbles or endothelin?** *Philip Kritzing*  
Objectives: Determine the etiology of some rare symptoms and signs experienced after sclerotherapy.
- 9:45 **Is the SSV endovenous laser response different than the GSV? (Long Term)** *Mark Forrestal*  
Objectives: Evaluate efficacy of laser treatment of different saphenous veins.
- 10:00 **Refreshment break**

**Moderator: Janna Bentley**

- 10:15 **Thrombotic complications of vein treatment and how to avoid them** *Ted King*  
Objectives: Recognize and avoid thrombotic complications.
- 10:35 **Sclerotherapy- results of randomized trials** *Serge Mako*  
Objectives: Become familiar with outcomes of randomized trials on sclerotherapy.
- 11:05 **Is liquid sclerosant (Sotradecol) a valid treatment today for tributaries?** *Mark Forrestal*  
Objectives: Determine the role of liquid sclerosant for the treatment of tributary incompetence.
- 11:20 **Challenge case: what is your diagnosis?** *Pauline Raymond-Martimbeau*  
Objectives: Recognize differential diagnosis of rare vascular lesions.
- 11:35 **Panel Discussion**  
**How do you deal with difficult patients?**  
*Pier Luigi Antignani, Janna Bentley, Richard Danylewick  
Claudine Hamel-Desnos, Philippe Kritzing, Michel Zummo*
- 11:45 **Fellowship Ceremony**
- 12:00 **Lunch**

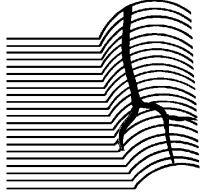

**SUNDAY, NOVEMBER 17, 2013**

**MONTREAL PHLEBOLOGY SUMMIT**

**Moderator: Michel Zummo**

- 1:30 **Does EVLA decrease the recurrence of varicose veins?** *Pierre Karam*  
Objectives: Understand the rate of success using EVLA for recurrent varices.
- 1:45 **Foam sclerotherapy of non-saphenous veins** *Philippe Desnos*  
Objectives: Learn how to manage non-saphenous veins with foam sclerotherapy.
- 2:00 **Foam sclerotherapy of recurrent varices** *Claudine Hamel-Desnos*  
Objectives: Evaluate the efficacy of foam sclerotherapy for REVAS.
- 2:20 **Technical challenges of endovenous laser thermal ablation** *Richard Danylewick*  
Objectives: Evaluate and recognize the latest development in endovenous laser thermal ablation technique.
- 2:40 **Approaching uncommon and not so uncommon anomalies in phlebology** *Michel Zummo*  
Objectives: Recognize and manage some anomalies in phlebology.
- 3:00 **Management of distal vein thrombosis** *Pier Luigi Antignani*  
Objectives: Discuss management thromboembolism.
- 3:15 **Highlights of the UIP meeting in Boston** *Pauline Raymond-Martimbeau*  
Objectives: To be informed on new developments discussed at the UIP world meeting in Boston.
- 3:30 **Questions and answers**
- 3:45 **General Assembly**  
Board of Directors' Election  
All participants are invited  
Only Members may vote
- 4:15 **Adjourn**

## 38<sup>th</sup> BIENNIAL CONGRESS

NOVEMBER 15-16-17, 2013

### ***INFORMATION***

#### **CME CREDIT**

CME credit has been requested from FMOQ.

#### **FELLOWSHIP PROGRAM**

The 3-day meeting attendance is mandatory toward credits for fellowship program and maintenance.

#### **ORGANIZATION**

CANADIAN SOCIETY OF PHLEBOLOGY  
Claudette Raymond, Executive director  
424 du Domaine Street, St-Bruno, QC, Canada J3V 2S4  
Phone: (001) 514-990-8346 Fax: (001) 450-653-2534  
Email: phlebology@sympatico.ca  
www.societecanadiennedephlebologie.org  
www.canadiansocietyofphlebology.org

#### **LOCATION**

DELTA MONTREAL  
475 President Kennedy Avenue  
Montreal, QC, Canada H3A 1J7  
Phone: 514-286-1986  
Fax: 514-284-4342

#### **HOTEL RESERVATION**

Reservations will be made directly on an individual basis. In order to facilitate reservations, attendees may contact the hotel directly at Delta Montreal.  
Phone: 514-286-1986 Fax: 514-284-4342

It is imperative that individuals indicate their group affiliation of “**Canadian Society of Phlebology with code 13GISO**” when making reservations.

OR use the following hyperlink:

**<https://www.deltahotels.com/fr/Groups/Delta-Montreal-Groups/Societe-Canadienne-de-Phlebologie>**

All reservations must be made by **October 14, 2013**. All rooms will be released after this date.
