

# CANADIAN SOCIETY OF PHLEBOLOGY

## 40<sup>th</sup> BIENNIAL CONGRESS

### AT THE INTERSECTION OF IDEAS AND OUTCOMES

APRIL 25-26, 2015 — Metropolitan Hotel, Vancouver, CANADA

#### PROGRAM CO-CHAIRMEN

**Janna Bentley, Kelowna, British Columbia, Canada**

Registered Vascular Technologist  
Diplomate of the American Board of Venous and Lymphatic Medicine  
Fellow Member of the Canadian Society of Phlebology

**Pauline Raymond-Martimbeau, Dallas, Texas, USA**

President of the Canadian Society of Phlebology  
Board member of the American College of Phlebology Foundation  
Diplomate of the American Board of Venous and Lymphatic Medicine  
Fellow of the American College of Phlebology  
Honorary member of the French Society of Phlebology  
Honorary member of the French College of Vascular Pathology  
UIP Committee of Honor

#### INTERNATIONAL FACULTY

**Paolo Casoni, Via Capelluti, Parma, Italy**

Director of Phlebolympologic Center – Hospital Piccole Figlie – Parma - Italy  
Director of Ippocrate Vein Clinic – Parma – Italy  
Director de el Departamento de Flebologia – Royal Marbella Hospital - Spain  
Diplomate in Vascular Surgery, General Surgery and Oncology – University of Parma  
Regional coordinator of Associazione Flebologica Italiana  
Member of Italian College of Phlebology  
Member of the American College of Phlebology  
Member of the French Society of Phlebology

**Mark Forrestal, Arlington Heights, Illinois, USA**

Board certified internist, Private practice at Northwest Vein Care  
President elect, American College of Phlebology  
Fellow of the American College of Phlebology  
Diplomate of the American Board of Venous and Lymphatic Medicine

**Eric Mowatt-Larsen, Monterey, California, USA**

Currently in private practice in Monterey, California  
Edited the textbook *Phlebology, Vein Surgery and Ultrasonography*  
Formerly Assistant Professor of Surgery at Duke University  
Fellow of the American College of Phlebology  
Diplomate of the American Board of Venous and Lymphatic Medicine  
Registered Phlebology Sonographer  
Board certified in Emergency Medicine  
Former US Navy SEAL platoon commander

**Armen L. Roupenian, Wasilla, Alaska, USA**

General and Vascular Surgeon with Alaska Center for Venous and Lymphatic Medicine  
Board of Directors, American College of Phlebology  
Exam Writer, American Board of Venous & Lymphatic Medicine  
Diplomate of the American Board of Surgery  
Diplomate of the American Board of Venous & Lymphatic Medicine  
Registered Vascular Technologist (RVT)  
Registered Physician Vascular Interpretation (RPVI), Registered Phlebology Ultrasonographer (RPhS)  
Member American Venous Forum, Member, German Society of Phlebology

**CANADIAN FACULTY**

**Louis Grondin, Calgary, Alberta, Canada**

Diplomate of the American Board of Venous and Lymphatic Medicine  
Fellow of the American College of Phlebology  
Fellow Emeritus of the Australasian Society of Phlebology  
He held the offices of President of the Canadian Society of Phlebology, and Vice-President of the International Union of Phlebology  
He serves currently as the Medical Director of the Santé Group in Calgary  
Tutor to Masters candidate in Practical Dermatology at the University of Cardiff in Wales

**Pierre Malo, Victoria, British Columbia, Canada**

Fellow Member of the Canadian Society of Phlebology  
Exclusive Phlebologist Practitioner  
Ultrasound guided surgery for varicose vein

**Nicholas Morison, St. Albert, Alberta, Canada**

Family practice  
Fellow Member of the Canadian Society of Phlebology  
Member of the Canadian Ophthalmology Association

**Martin Ray, Delta, British Columbia, Canada**

Family physician  
Private practice, View Laser Skin Rejuvenation  
Recognized Expert in cosmetic procedures

**Jeannette Soriano, Calgary, Alberta, Canada**

Founding Member and Past President of the Canadian Complementary Medical Association  
Board Member and Vice President for ICIM International College of Integrative Medicine  
Fellow Member of the Canadian Society of Phlebology

**Jason Wong, Calgary, Alberta, Canada**

Partner of EFW Radiology  
Interventional Radiologist at the University of Calgary, Alberta  
President elect and Member of the Canadian Interventional Radiology Association  
Fellow of the Royal College of Physicians and Surgeons of Canada  
Member of the Canadian Association of Radiologist, Member of the American College of Radiologist  
Member of the Alberta Medical Association  
Member of the Röntgen Ray Society  
Member of the Society of Interventional Radiology

**Mandy Wong, Kelowna, British Columbia, Canada**

Diplomate of the American Board of Venous & Lymphatic Medicine  
Fellow Member of the Canadian Society of Phlebology  
Diplomate of the American Board of Laser Surgery

**SATURDAY, APRIL 25, 2015**

**AT THE INTERSECTION OF IDEAS AND OUTCOMES**

7:45 **Registration** *Connaught Room*

8:00 **Welcome** *Pauline Raymond-Martimbeau*

**Overall learning objectives:**

Upon completion of this 2-day meeting, participants will be able to review and interpret basic knowledge and skills in phlebology; update and improve their ability about recent advances in the diagnosis, management, and treatment of venous disorders; and integrate new principles to improve their everyday practice of phlebology

**Moderator: Pauline Raymond-Martimbeau**

8:15 **Review of the not so new terminology/nomenclature for vein** *Pierre Malo*  
Objectives: To review the new terminology for venous anatomy

8:30 **Obesity and varicose disease** *Janna Bentley*  
Objectives: To learn if obesity affects varicose veins

8:45 **The use of cyanoacrylates in medicine** *Nicholas Morison*  
Objectives: To realize the many indications and use of cyanoacrylate in medicine

9:05 **Contraindications to sclerotherapy** *Mandy Wong*  
Objectives: To learn appropriate patient selection

9:25 **Sciatic varicosities** *Armen L. Roupenian*  
Objectives: To demonstrate the existence of sciatic nerve varicosities and discuss its management

9:45 **Best treatment options for varicose veins: review of trials** *Eric Mowatt-Larssen*  
Objectives: To evaluate the best approach for varicose vein management

10:05 **Refreshment break and exhibit** **Moderator: Janna Bentley**

10:35 **Anatomic and haemodynamic patterns in 400 consecutive echo-guided mappings in varicose vein disease** *Paolo Casoni*  
Objectives: To learn anatomical variations of superficial veins

10:55 **A historical perspective to the pelvic congestive syndrome** *Louis Grondin*  
Objectives: to describe how pelvic congestion syndrome fits within the core discipline of phlebology

11:10 **The interventional radiologist's management of the pelvic congestive syndrome** *Jason Wong*  
Objectives: To integrate the key diagnostic and management of pelvic congestive syndrome into a phlebology practice

11:25 **Recurrent varicose veins – do the types of treatment modalities make a difference** *Mark Forrestal*  
Objectives: To evaluate the treatment options in cases of recurrence

11:40 **Safety and effectiveness of the VenaSeal system** *Nicholas Morison*  
Objectives: To be educated on a new treatment for varicose veins

12:00 **Fellowship ceremony**

12:15 **Lunch**

**SATURDAY, APRIL 25, 2015**

**AT THE INTERSECTION OF IDEAS AND OUTCOMES**

**Moderator: Pauline Raymond-Martimbeau**

**1:30 – 3:00**

**Tackling large vein challenge cases**

Objectives: To discuss cases of large varicose veins and its management

- Diagnostic modalities
- Unlock treatment possibilities
- Hook can ease difficult cases
- Using technology to detect treatment progression
- Extra caution during the procedures in such cases

**Panel discussion**

*J. Bentley, P. Casoni, M. Forrestal, L. Grondin, P. Malo, N. Morison, E. Mowatt-Larssen  
P. Raymond-Martimbeau, A. Roupenian, J. Soriano, J. Wong, M. Wong*

**3:00**

**Refreshment break and exhibit**

**Moderator: Mark Forrestal**

**3:30 – 4:30**

**Tackling non-saphenous challenge cases**

Objectives: To discuss cases of non-saphenous varicose veins and its management

- How to obtain an accurate diagnosis
- When to consider treating only non-saphenous veins
- How to gauge the dosage
- How to manage the adverse effects

**Panel discussion**

*J. Bentley, P. Casoni, M. Forrestal, L. Grondin, P. Malo, N. Morison, E. Mowatt-Larssen  
P. Raymond-Martimbeau, A. Roupenian, J. Soriano, J. Wong, M. Wong*

**4:30**

**"Standardized" Canadian Society of Phlebology exam and questionnaire –  
the end result and chance to have your input**

Objectives: To elaborate a protocol for examination and documentation

*Pierre Malo*

**4:45**

**Cosmetic surgery symposium**

**Advanced facial renewal using Nano-Fractional RF technologies**

Objectives: To learn the updates on body and facial procedures for cosmetic surgery

*Martin Ray*

**5:15**

**Adjourn**

**SUNDAY, APRIL 26, 2015**

**AT THE INTERSECTION OF IDEAS AND OUTCOMES**

8:00 **Welcome**

*Pauline Raymond-Martimbeau*

**Overall learning objectives:**

Upon completion of this 2-day meeting, participants will be able to review and interpret basic knowledge and skills in phlebology; update and improve their ability about recent advances in the diagnosis, management, and treatment of venous disorders; and integrate new principles to improve their everyday practice of phlebology

**Moderator: Pauline Raymond-Martimbeau**

8:15 ☞ **Phlebology bubble # 1**

*Pauline Raymond-Martimbeau*

Objectives: To briefly get informed on pearls and pitfalls of phlebology

8:20 **Popliteal vein entrapment**

*Armen L. Roupenian*

Objectives: To discuss diagnosis and management of popliteal vein entrapment

8:35 **Endovenous thermal ablation – comparing the procedures**

*Mark Forrestal*

Objectives: To learn the difference between different thermal ablation procedures

8:50 ☞ **Phlebology bubble # 2**

*Pauline Raymond-Martimbeau*

Objectives: To briefly get informed on pearls and pitfalls of phlebology

8:55 **A historical perspective to venous malformations**

*Louis Grondin*

Objectives: To elucidate the importance of venous malformations within the core curriculum of phlebology

9:15 **Varicose veins: debunking the myths**

*Janna Bentley*

Objectives: To learn about the truth of varicose veins

9:30 **Should CO<sub>2</sub> foam be the standard for foamed sclerotherapy?**

*Mandy Wong*

Objectives: To discuss if CO<sub>2</sub> should be the preferred method for the preparation of foam

9:50 **Traveller's thrombosis - case presentation and review of recommendations for travelling after sclerotherapy treatment**

*Jeannette Soriano*

Objectives: To review the recommendations for sclerotherapy post care

10:10 **Refreshment break**

**Moderator: Mandy Wong**

10:30 **The role of iodine as an sclerosing agent in modern phlebology practice**

*Jeannette Soriano*

Objectives: To evaluate the place of iodine in the armamentarium of sclerosing agents

10:45 ☞ **Phlebology bubble # 3**

*Pauline Raymond-Martimbeau*

Objectives: To briefly get informed on pearls and pitfalls of phlebology

10:50 **Great saphenous vein surgery without high ligation of the saphenofemoral junction**

*Paolo Casoni*

Objectives: To review the results of a study on saphenectomy without crosssectomy

11:10 **Treatment of thrombophlebitis**

*Eric Mowatt-Larsen*

Objectives: To review the management of thrombophlebitis

11:30 **The interventional radiologist's management of venous malformations**

*Jason Wong*

Objectives: To cite the role of a safe and effective management for venous malformations

11:45 **Questions and answers**

12:00 **Lunch**

**SUNDAY, APRIL 26, 2015**

**AT THE INTERSECTION OF IDEAS AND OUTCOMES**

**Moderator: Louis Grondin**

**1:30 – 3:30**

**Tackling small vein challenge cases**

Objectives: To discuss cases of non-saphenous varicose veins and its management

- Targeting diagnostic accuracy
- A unique or multiple drops
- Replace a single component with a combination
- Foam vs liquid
- What went wrong?

**Panel discussion**

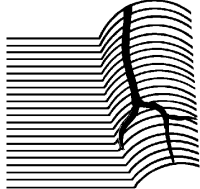

*J. Bentley, M. Forrestal, L. Grondin, N. Morison, E. Mowatt-Larssen  
P. Raymond-Martimbeau, A. Roupenian, J. Soriano, J. Wong, M. Wong*

**3:30**

**Questions and answers**

**3:45**

**Adjourn**

## 40<sup>th</sup> BIENNIAL CONGRESS

### AT THE INTERSECTION OF IDEAS AND OUTCOMES

APRIL 25-26, 2015 — Metropolitan Hotel, Vancouver, CANADA

### INFORMATIONS

#### **CME CREDIT**

Requested from the College of Family Physicians of Canada and the British Columbia Chapter

#### **ORGANIZATION**

CANADIAN SOCIETY OF PHLEBOLOGY  
777, de la Noue, #104, Verdun, Canada H3E 1V2  
Phone: 514-990-8346 Fax: 450-653-2534  
Email: [phlebology@sympatico.ca](mailto:phlebology@sympatico.ca)  
Website: [www.canadiansocietyofphlebology.org](http://www.canadiansocietyofphlebology.org)

#### **LOCATION**

The Metropolitan Hotel Vancouver  
645 Howe Street, Vancouver, BC, Canada V6C 2Y9

#### **FELLOWSHIP PROGRAM**

The 2-day meeting attendance is mandatory toward credits for fellowship program and maintenance

#### **RESERVATIONS PROCEDURE**

Reservations will be made directly to the Metropolitan Hotel Vancouver on an individual basis. In order to facilitate reservations, attendees may contact the hotel directly at

Metropolitan Hotel	604-687-1122
Toll free	800-667-2300
Fax	604-643-7267
Email	<a href="mailto:reservations@van.metropolitan.com">reservations@van.metropolitan.com</a>

It is imperative that individuals indicate their group affiliation when making reservations. Please ensure all guests request the “**Canadian Society of Phlebology**” group rate.

At the time of booking, the reservation must be guaranteed with a credit card. If the reservation is cancelled within 24 hours of arrival, one night room and tax will be charged to the credit card on file.

All reservations must be made by **March 24, 2015**. All rooms will be released after this date.

#### **GUARANTEE PROCEDURE**

All confirmed reservations will be held until 4:00pm on the scheduled arrival dates unless specifically designated as guaranteed to the group master account. A guarantee may also take the form of an advance deposit for the first night's lodging, or an appropriate valid credit card number and expiration date. (The Metropolitan Hotel Vancouver accepts American Express, Visa, MasterCard, Diners Club, Discover and JCB).
